

More about who we are!

The Ventura County MC has been incorporated since the mid 1980's. We are an AMA and District 37 sanctioned Road and Off-road club. We began as an AMA D37 Enduro club but have branched out. Every year we promote D-37 events; Off-road - the VCMC Hungry Valley Qualifier which is typically held the 3rd Sunday in May and the D-37 VCMC Bishop Dual Sport Ride in October. We have approximately 35-70 active members and are looking for new members all the time.

Our group riding consists mostly of; trail riding, Dual Sport riding, racing the D-37 enduro and desert series. Several members have street bikes and we also do some street rides. Our meetings usually deal with what is happening in our world of motorcycling, who is riding, when and where, and land use issues.

We are very involved in land use issues specifically in the Los Padres National Forest, which is in our backyard. We have given money to CORVA, Friends of Jawbone, Riders Helping Riders and worked on several trail maintenance days. We know all the places to ride in and around Ventura County. Come to a meeting; we meet the 1st Wednesday of the month at Round Table Pizza in Ventura, and give us a try.

We are a District 37 Off-road, Dual Sport and Street Bike Club.

Meeting is the 1st Wednesday of the month,

Round Table Pizza in Ventura, 4255 E Main St Ste 8, Ventura, CA 93003

Meetings start at approximately 7:00 PM.
